Sunrise Community Clinic - Patient Handbook

1. Opening Hours

The clinic is open Sunday to Thursday from 8:00 AM to 8:00 PM, and on Saturday from 9:00 AM to 2:00 PM. The clinic is closed on Fridays and on public holidays.

The pharmacy counter closes 30 minutes before the clinic closes. Walk-in patients are seen in order of arrival, but patients with appointments are seen first.

2. Booking and Cancelling Appointments

Appointments can be booked by phone, at the front desk, or through the patient portal. New patients should arrive 15 minutes early to complete registration.

Appointments must be cancelled or rescheduled at least 24 hours in advance. Late cancellations and missed appointments may be charged a fee of 50 AED. The fee is waived in cases of documented emergencies.

3. What to Bring

Please bring a valid Emirates ID or passport, your insurance card, and a list of any medicines you currently take. If you have previous test results or reports, bring copies.

Children under 18 must be accompanied by a parent or legal guardian.

4. Visiting Hours

Visitors are welcome in the waiting area during opening hours. Only one companion may accompany a patient into the consultation room unless the doctor approves otherwise.

Mobile phones should be set to silent in all treatment areas.

5. Test Results

Routine blood test results are usually available within 2 working days. Imaging reports take up to 5 working days. Results are released through the patient portal or collected in person with photo ID.

Results are never given out by email. Please do not ask staff to send results by messaging apps.

6. Feedback and Complaints

We welcome feedback. Complaints can be submitted to the Patient Relations Office, and we respond within 7 working days. Serious concerns are escalated to the Medical Director immediately.
